This is not your average Wrangler — this is the one Jeep people stop and stare at. Ball Motorsports is proud to offer this 2022 Jeep Wrangler Unlimited Rubicon 392, finished in Firecracker Red Clear-Coat over Black leather-trimmed bucket seats. Under the hood is the legendary 6.4L SRT HEMI V8, paired with the 8-speed automatic 8HP75 transmission, giving this Rubicon the kind of sound, torque, and attitude that no regular Wrangler can touch. This 392 came loaded from the factory with the good stuff, including the Sky One-Touch Power Top, body-color 3-piece hard top, LED Lighting Group, Cold Weather Group, Safety Group, Advanced Safety Group, and Steel Bumper Group. It also features the 2.72:1 Selec-Trac full-time 4WD system, Tru-Lok front and rear axles, 3.73 rear axle ratio, Off-Road Plus Mode, and those signature bronze tow hooks that let everyone know this is the real deal. Inside, you get a premium Jeep cabin with heated leather seats, Uconnect 4C NAV with 8.4-inch display, Apple CarPlay, Android Auto, GPS Navigation, Alpine premium audio, SiriusXM services, remote start, automatic climate control, and the full comfort package you want in a high-end Wrangler.
